MURRAY WINS BY BIG MARGIN

Salt Lake Starts Off Well, but Smelters Bunch Hits and Romp Home.

DONOVAN'S NEW PITCHER ALLOWS MANY SAFETIES

Errorless Fielding of the Victors Is the Feature of One-Sided Game.

Murray played errorless ball at Recreation park in Murray, Saturday afternoon, and defeated Salt Lake by the score of 9 to 1. The work of the Murray outfielders was especially good. Means, the new second baseman from Idaho Falls, showed up well. McCree, the new pitcher for Salt Lake, was given his initial tryout Saturday afternoon and did good work. He struck out seven men, and if his team-mates had supported him better the game would have been much closer. "Dad" Stewart opened the game for Salt Lake and started off with a single. He stole second and reached third on a fielder's choice, scoring when Mike Donovan flew out to center. In the fourth, Scott, for Murray, singled. Castro also connected safely. Kaefer, with a long drive, brought both Castro and Scott home. In the sixth, Mann singled and stole second, reaching third on Margetti's safety. Castro sacrificed, bringing Mann home. Kaefer's safe hit brought in Margetti. Kaefer stole second and A. Gunn sent a long one over the head of the right fielder, bringing in Kaefer. Margetti, the first man up in the eighth for Murray, got to first on a long drive and stole second. Scott's safe hit advanced him to third. A two-bagger by Castro brought both Scott and Margetti home. Kaefer hit safe and Al Gunn also singled. Means, T. Gunn fanned, and then Prince pounced out a two-bagger, scoring Kaefer and Gunn.

NEGROES WIN UP-HILL GAME

Occidentals Defeat Ogden by Hard Hitting and Clever Base Running.

BOTH TEAMS PLAY BIG LEAGUE BASEBALL

Langford Scores Winning Run in Ninth Inning by His Fast Work.

The Occidentals by hard hitting and fast base running pulled their game with Ogden out of the first Saturday afternoon in the ninth inning and won by a score of 3 to 2. The winning run was scored in the ninth when, after two men were out, Langford beat out the throw-in from a fly to Gimlin in deep center. The game was one of the best that has been seen at Walker's field. Both teams did excellent work in the field and gave excellent support to the pitchers, who were hit freely. Murphy pitched superbly up to the eighth inning, when he weakened and was hit hard by the negroes. Langford hit frequently, but the hits were well scattered. Features of the game were the fielding of Gimlin and Burns, and the hitting and base running of Mooney. There were two double plays. Mooney caught a long drive in right field and nipped Lawrence at the plate. Gimlin pulled one down that looked good for two bases and caught Lane at second. Murphy scooped up third base and doubled Mooney out at first. McAdoo, the first baseman for the negroes, got the longest hit of the game, a three-bagger to the left field fence.

Ogden Starts Well.
The Ogden players got a lead in the second inning. Gimlin opened with a two-bagger and was sacrificed to third by Plake. Bluth singled and Gimlin scored. Bluth got to second on a passed ball, but the next two men were out. Ogden appeared to have another chance in the third. Claude Burns dropped Lawrence's pop-up over second base. With men on second and third Ramshaw sent a long fly to Mooney in right field. Bluth, the next man up, was hit with a beautiful throw nipped Lawrence at the plate. Ogden scored in the sixth, after two men were out. Ramshaw singled and stole second. Gimlin singled and Ramshaw scored. Plake singled, but Gimlin was caught trying to get from first to second base. After the sixth, Ogden had no chance to score.

The Occidentals looked dangerous in the second inning when Plake singled, stole second and reached third on Lane's sacrifice fly. A strike-out and a pop-up fly, however, retired the side. In the third, the Ogden again got a start toward home. Burns opened with a hit and beat out the throw to second on Lane's grounder. He was nipped at third when Murphy fielded on Robinson's grounder. McAdoo drove a long one to deep center that looked safe. Gimlin pulled it down, however, and doubled Lane out at second.

Mooney Gets Around.
In the sixth inning, Mooney opened with a single. He went to second on a passed ball and got to third when Black hit. Burns hit a long one to deep center that looked safe. Gimlin pulled it down, however, and doubled Lane out at second.

The negroes started hitting Murphy hard in the eighth. McAdoo started off the procession with a three-bagger and Mooney brought him home with a single. Black popped out to Murphy and Mooney was doubled at first. Hawkins got a long single and stole second. Langley went out, Wessler to Bluth, retiring the side.

Langford's hitting and base running won the game for the Occidentals in the ninth. Langford singled and stole second, reaching third on Lane's single, after Burns had struck out. Robinson flew out to Gimlin and Langford scored on the throw-in.

Pravda Wins.

By Associated Press.
DEAUVILLE, France, Aug. 20.—The Prix Des Geraniums, a selling hurdle race for 3-year-old fillies for a purse of \$600, over a distance of one mile and five furlongs, was won today by Eugene Fischel's Pravda.

TENNIS TOURNAMENT WILL COMMENCE SOON

Intermountain Championships Will Be Decided on Country Club Courts Next Week.

The sixth annual tennis tournament of the Intermountain Lawn Tennis association will start next Friday at the courts of the Country club. This tournament has become one of national interest and is the largest held between the Missouri river and the Pacific coast. Its results decide the championships of six states, Colorado, Idaho, Montana, Wyoming, Nevada and Utah, and naturally tennis players throughout this entire district look forward with interest to the matches played during this tournament.

The executive committee in charge of the tournament this year is Sam Neel, E. S. Brown and O. J. Salisbury. For the past two months they have been working to secure as much talent as possible to compete and yesterday afternoon announced that the outside "wild card" would far exceed those of any previous tournament. In a letter received from Mr. Salisbury, who is now at Santa Monica, Mr. Salisbury says he has the assurance that Simsbrough and Duncan, the California champions in doubles, will be on hand. Mr. Brown received a letter this week stating that Bundy and Hendricks, now playing at Newport, would come direct to Salt Lake, passing up the tournament at Niagara for the intermountain tournament held at the Country club. Brown also received information that Maurice McLoughlin, who defeated Beals S. Wright this season, will come to Salt Lake for the singles in hope of adding another title to his long list of championships.

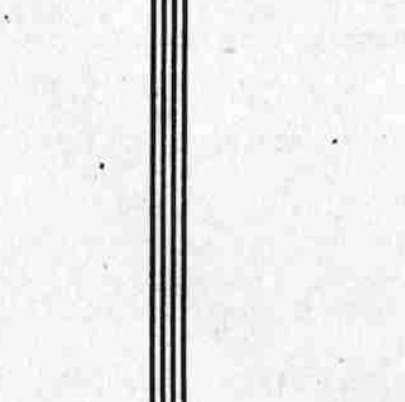

These five outside stars together with the local cracks should give local lovers of tennis some of the best class of this kind of sport ever witnessed in the intermountain west. Salt Lake is noted for its tennis players and all summer long local experts with the racket have been working hard to condition themselves for the work before them.

The committee in charge has announced that entries will close next Thursday night at the Alta club. Local members are requested to send in their entries at once, either to Mr. Samuel Neel, Newhouse building, A. S. Brown, Bell Telephone building, or direct to the Alta club. The drawings will be held on Thursday night and play will start on Friday afternoon following. An effort will be made to rush the tournament through within a week, to allow the visiting players to return home. Heretofore the tournament has dragged through a couple of weeks, but it is expected the finals will be completed by September 1, this year. The tournament is open to any lawn tennis player in the country, but the association is desirous of having as many local players as possible entered. Tournamentists like this greatly improve the players by giving them confidence and this year local racket experts will have a better opportunity than ever in meeting the best men in the country.

ONLY A DOZEN YOUNGSTERS IN RICH FUTURITY RACE

By Leased Wire to The Tribune.
SARATOGA, N. Y., Aug. 20.—It has been decided to run the rich futurity race on August 31, the last day of racing in New York state for the year. Not more than a dozen horses will go to the post in this, the biggest 2-year-old race of the season. Originally there were 322 nominations to the stake, of which 284 were void, 337 declared at \$10 each, 156 declared at \$20, 63 declared at \$50 each and 24 declared at \$70 each. It will be seen that with the \$10,000 added by the Coney Island Jockey club, the stake will be very valuable to the winner. While such colts as Novely, Naushon, Blackfoot, Rockville and Iron Mask will have backers in the big stake, it is possible that none will carry more money than the filly, Bashli. There is no telling how good she is.

YOUNG PUGILIST DIES AS RESULT OF PRIZE FIGHT

By Associated Press.
PHILADELPHIA, Aug. 20.—Another death was added to the list of fatal boxing bouts in this city when Frederick Castro, 20 years of age, died in a hospital after participating in a six-round contest here last night at the Frankford Athletic club with Frank ("Spike") Sullivan of this city. Sullivan has been committed to the county prison to await the action of the coroner's jury. The managers of the club, promoters of the bout and seconds of the two principals, nine in all, were held on bail as witnesses. Testimony given before a police magistrate today tended to show that Castro was besting his opponent and in the last round while trying to knock out his rival, suddenly fell unconscious. The cause of death has not yet been determined.
